

## HSP90(H3Q9) Monoclonal Antibody

### Basic information:

|                     |                                 |                 |            |
|---------------------|---------------------------------|-----------------|------------|
| <b>Catalog No.:</b> | UDA9000-1                       | <b>Source:</b>  | Mouse      |
| <b>Clonality:</b>   | Monoclonal                      | <b>Isotype:</b> | IgG1 kappa |
| <b>Purity:</b>      | >98% as determined by SDS-PAGE. |                 |            |

### Useful Information:

|                      |   |
|----------------------|---|
| <b>Applications:</b> | ELISA   |
| <b>Usage:</b>        | Capture antibody  |
| <b>Specificity:</b>  | Recognizes native HSP90 $\alpha$ .  |
| <b>Format:</b>       | Liquid  |
| <b>Purification:</b> | Protein A/G affinity purification from mouse ascites.   |
| <b>Immunogen:</b>    | Recombinant protein of human HSP90 $\alpha$ .   |
| <b>Presentation:</b> | 100 mM Tris, 90 mM glycine, 0.01% thimerosal, pH 7.4.   |
| <b>Description:</b>  | <p>Hsp90 quantitative detection kit can detect the content of hsp90 in human serum stably and accurately. In clinical studies, the content of hsp90 in early stage patients of lung cancer is higher than that in healthy patients, and that in late stage patients is higher than that in early stage patients.</p> <p>Changes in plasma hsp90 levels will vary with the disease of lung cancer patients, providing clinical guidance to doctors and patients.</p> <p>A number of clinical studies have shown that hsp90 is a good marker for lung cancer, which is of great application value for timely detection and tracking of lung cancer patients and saving their lives.</p> |
| <b>Storage:</b>      | Store at 4°C short term and -20°C long term. Avoid freeze-thaw cycles.  |
| <b>Note:</b>         | <p>Test systems and platform change may cause different results, please contact us if you have any questions.</p> <p>This product is sold for research use only. Standard Laboratory Practices should be followed when handling this material.</p>  |
